offered his hearty congratulations. This condition is one that will cause no surprise, as well posted people everywhere anticipated the unanimous renomination of Senator Daniel.

He has long been a popular idol and a striking figure in the Democratic politics of the State, and was elected to the Senate for the first time in 1886, and has been three times overwhelmingly re-elected, never having had any opposition in his own party. The Legislature respects the result of the new party plan, and no caucus will be held.

The term of Senator Martin will expire on March 4, 1907, and the Legislature to be chosen in 1995 will name his successor. A big fight is anticipated, and if the new primary plan shall continue in vogue, by this time two years hence the names of candidates will have been filed and the battle will be on in dead carnest. It looks now as if Governor Montague will be Senator Martin's chief opponent for re-election.

TO MAKE PUBLIC THE DIAZ MATTER

No One Can Now Oppose His Decision of Extreme Interest to All Southern Baptists.

Baptists.

In a letter to Rov, R. H. Pitt, D. D., of this city, Rev. Dr. W. W. Landrum, of Atlanta, conveys to the Baptists of Virginia the very interesting and important news that the Home Mission Board of the Southern Baptist Convention, of which he is the chairman, will publish to the world all the facts in connection with the much agitated Diaz matter in Havana.

At the recent convention, it will be recalled, there was adopted a report recommending the appointment of a special committee empowered to investigate the condition of affairs in Cuba, and to publish the facts which led up to the sensational elimination of Diaz, the preacher-pollitician, from the Baptist missionary work there. This action was regarded by many a rather harsh reflection upon the board, and the report was subsequently reconsidered and the board was allowed to use its own discretion in the matter of the publication of its business. The decision of the board is conveyed in the letter from Dr. Landrum to Dr. Pitt, which is as follows:

"The Home Mission Board, at its meeting this affernoon, decided to make known all the facts touching the Diaz matter in Havana. A committee, consisting of Judge George Hillyer, chairman of the Committee on Cuba; Dr. E. L. C. Connally, a member of the same committee, together with the president of the board, have been instructed to invite the following named brethren to
